Helping disabled children

Join our FREE iPad workshop for families raising seriously ill or disabled children

Do you have an iPad and want to learn how to make the most of it? Join Family Fund and Learning Space for a free training workshop for families raising seriously ill or disabled children, and find out more about how your iPad works (or at least keep up with your children!)

The session will last about an hour-and-a-half and topics include:

- Customising your tablet to address any vision, hearing, motor and learning needs of your child.
- Parental controls and guided access.
- Locating and accessing resources.
- Using built-in apps to develop reading, writing, speaking and research skills.

Tuesday 24 October, 10.30am
